It has been my pleasure to preview the copy of the Legend which you were kind enough to present to me. It is an outstanding publication and one which reflects the amount of work dedication to excellence that went into its preparation. Not only does it serve as a record of events of this past year, but it seems to capture the spirit, the very essence of our school.

The senior class members who will soon become alumni of Weequahic High School, time, which never stops on its journey, will pass before your eyes and in a few months you will be members of a community looking back on the years you spent at Weequahic High School. When you do look back, the photos, facts and memories in this book will be the milestones of a happy reminisence.

The yearbook advisors and staff are to be congratulated on their fine accomplishment. A great deal of their excellence and professionalism was the result of mutual understanding and respect. I am certain that all of you must find satisfaction and justifiable pride in this undertaking.

Again, my heartiest congratulations to the yearbook advisors on a most outstanding yearbook. And to my seniors, may your memories of Weequahic High School be pleasant and may your future be filled with happiness and success.

With every wish for a bright tomorrow.

VICE-PRINCIPALS

Norma Brown

"Graduates:

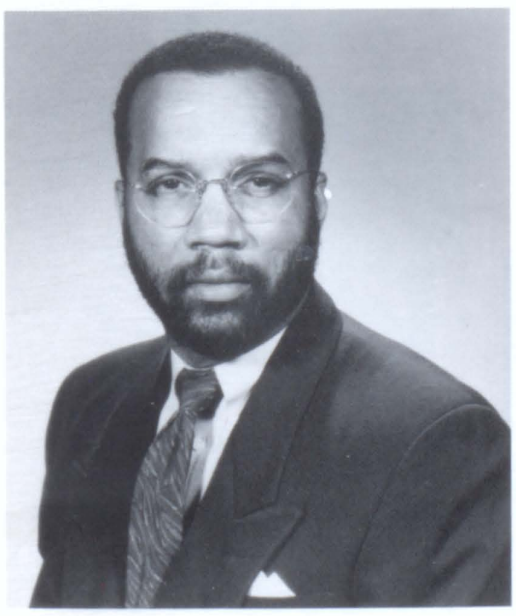

You have arrived at another of the many apexes that you will encounter during your lifetime. It is one that you have spent twelve years preparing for and striving for. One that has sometimes seemed impossible to reach. But, with the support of your family, friends, and teachers and even administrators, you've made it! And through it all, you have shown that you have the courage to persevere in spite of all the statistics that you would not, you could not. There are many more apexes awaiting you and I only ask and pray that you strive with all your might, and with all the fortitude that you can summon, to obtain all that life has to offer you. And always Remember that "Life only gives you what you have the courage to demand. Demand excellence." (M. Lyons)

God bless you all,
Norma Fair Brown

Catherine Murphy

"Knowledge is power. The road to anywhere starts from where you are."

Fernard Williams

"To the class of 1991,

You are on the cutting edge of the twenty-first century. Yours will be the voice to emerge as you prepare to enter this fast-paced world of technological wonders. Your admission to this exciting and fascinating arena is preparation and dedication to the task that you have set for yourselves. While you encompass a range of talents and spectrums of achievements, you have only begun to realize your individual worth to the community and society at large.

As you approach your next plateau, I hope that the knowledge, ideals, materials, and guidance that you have acquired here at Weequahic High School will serve as a strong base to facilitate your growth and success.

Always remember, "That which you think may be your greatest achievement, may be in reality a steppingstone to greater things." Learning is a lifelong process. May this process continue to open doors for a successful future.

Congratulations and good luck.

FINE ARTS AND FOREIGN LANGUAGE

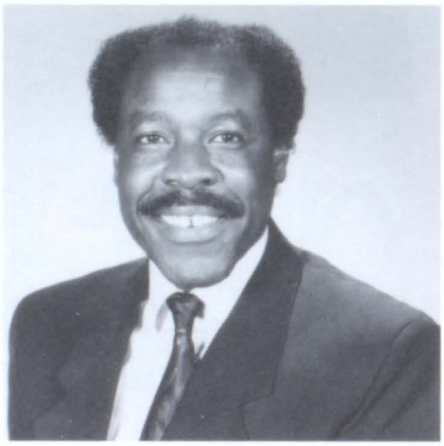

Art, is a product of the human mind and a mirror of that mind-a record of human progress. And like the mind, and like the societies that progress has created, art is rich complicated and sometimes quite mysterious.

"It is as ever changing as man."

Art, Music and Foreign Langauge courses are the most historic, creative, and exciting. The force behind these courses are self-discipline practice and performance. Here at Weequajic the Fine Arts enrich our students cultural knowledge and language competency.

School Song

Our challenge to the orange and brown

As orange and brown we sway
Undaunted our refrain is sung
Weequahic will win the fray.

All hail our steadfast Indian host
Of braver warriors none can boast
And we will fight to do or die,
And win for you, our Weequahic High.

It's so hard, so hard to be a Weequahic Indian.
It's so hard, so hard to be a Weequahic Indian.

No one knows what tomorrow holds,
But we have to keep the faith alive.
It's so hard to do, when there are ups and downs,
Yet, Weequahic taught us to survive.

So, hail fond Weequahic, hail to you,
We pledge our faith and honor true.
Your mighty name will loudly ring
To Weequahic High, praises we sing.

It's so hard, so hard to be a Weequahic Indian.
It's so hard, so hard to be a Weequahic Indian.

From our fortress on the hill,
Where we stand side by side.
We sing your praises with a will,
As family we rise!

It's so hard, so hard to be a Weequahic Indian.
It's so hard, so hard to be a Weequahic Indian.

EARLY CHILDHOOD DEVELOPMENT

Early Childhood Development is a vocational child care class where students are trained as care givers of young children between the ages of three and five. Students are trained from September through October. Once the children start two days are allowed to plan lessons in Art, Music, Language, Math, Physical Development, Health, Safety, Science, Weather and Calendar. One of our major goals is to help build a positive beginning so that the children will start kindergarten with necessary skills, to look forward to learning and to stay in school.

TELECOMMUNICATIONS

The purpose of this program is to make the student participant test-wise and employable. Students participate in self-evaluation of their own work. Moreover, the program re-educates the student learners by job-upgrading approaches. The major aim is to lead each student enrollee to the mastery of those fundamental skills and habits which are indispensible for personal success in the telecommunications milieu.

The members of the Weequahic Band have performed at the Meadowlands, for President George Bush, when he stopped in Newark, for the Superintendent of Education for New Jersey and many other varied and interesting events. There are two Seniors who deserve special mention. Latesha Jones - who has been a member of the band for four years playing the alto saxophone; and Tamakisha Caesar - who has been a percussionist with the band for four years.

Mr. O.Brown is a great band director. He has taught me for four years and I have attained and enjoyed all. I plan to further my education in music and to play percussion ina college Marching Band. I thank Mr. Brown for teaching me not only techniques, but also to enjoy and love the music.

- Ta'makisha Caesar

Since 1987, I've played the alto sax in the Marching Band. When I first came to the Band, I was a misguided, bad mouth little freshman, but with the patience, guidance and discipline of Mr. Otis Brown, Jr. and the past members, I matured. I've grown and cried; Mr. Brown sure could make me angry, but I hung in there. I love it.-LaTesha Jones

FIGHT . . . . TEAM . . . . FIGHT!!!!!!!

"Weequahic Indians repeat on track."

Our Weequahic boys and girls track teams had a vigorous indoor track season. Our boys and girls stood up and answered all calls of competition, know matter where they competed.

The boy's team kicked off the season by winning the first meet at the Queen of Peace, Polar Bear Meet. They won almost every event on that cold, rainy day.

In the mountains of New York State, at West Point, Regina Trotter won the 55 meter dash and placed second in the 300 meters. The two mile relay team placed fifth for the bronze medal and the "A" and "B" team of the 800 meter relay teams placed 2nd and 4th respectively, after a brief fight with some of the New York teams.

The Seton Hall Relays were another intense track meet. Teams from Washington, D.C., New York and Virginia were shown who is in control of New Jersey. Weequahic won the 800 meter relay, best time - 1 minute 33.5 seconds; third in the two mile relay and fourth in the one mile relay.

Our Essex County Relay Championship brought on the two best teams in the state, Weequahic and East side. Weequahic placed 2nd in the following events, Distance Medley, 2 Mile Relay and the 1 Mile Relay. The N.J. State Relay Group III belongs to the Weequahic boys.

Pinceton Invitational was a top shelf track meet. Once again, Weequahic's 800 meter relay team won the event. We were 4th in the one mile relay due to a dropped baton. Fourth in the high hurdles and fourth in the Distance Mile Relay.

Ridgewood High School invited the track team to set their track on fire. The girls won the 55 meters, the 55 High Hurdles and the 300 meters. The boys won the Sophomore 55 meter dash, 2nd in the 600 metered and second in the 300 meters and won the 1 mile relay.

Time to fight? Yes, it was. Essex county individual track meet was a duel with East Side, again. Jermaine Thompson was 4th in the 55 meter dash, Dimion Hart was 2nd in the 400 meters, Keith Barker was 3rd in the 400 meters and Ali Roberts placed 5th. Bishara Abdul- Hamid was 3rd in the 800 meters and the one mile relay team walked away with another victory in that event.

Regina Trotter won the 55 meter dash and the 400 meter dash. Sabrina Kennedy was second in the 55 meter hurdles. The girls were second in the one mile relay.

Going back to Princeton University for the boys individual championship, our team decided to fall asleep. The best we could place was sixth in the 55 meters and fifth in the 400 meters. Sabrina Kennedy was 5th in the high jump and Regina Trotter was third in the 400 meters. She won the 55 meters in Group III.

At the meet of Champions, Regina Trotter was declared the best in the state in the 55 meter dash and second in the 400 meters. Keith Barker was 6th in the 400 meter dash. The girl's 1 mile relay received a fourth place. The boy's won the title of being the best one mile relay team in the state.

The Eastern track meet is one of the biggest on the Eastern Coast. The boys 800 meter relay team was second with Jermaine Thompson, Drayten Denson, Keith Barker, and Ali Roberts, it's members. The one mile relay consisting of Eddie Green, Bishara Abdul-Hamid, Dexter Barker, and Dimion Hart placed third. The Freshmen team won every track meet they entered on the relay and individual basis.

Look Who's Talking

There was a time when I typed with my hands.
But seriously.....
To the class of 1991,
Life is an adventure. Make every day count. May you prosper, enjoy happiness and be at peace with the world"

-Mr. Saunders Davis

Al-Nisa Garcia

says that the Black History assemblies always bring back good feelings of Weequahic.

The thing she likes best about the time she's spent here is the inspiration the teachers bring to the students.

Al-Nisa's favorite subject is English, but her favorite teacher is Mrs. Jenkins.

In the favorite song category Al- Nisa's pick is "Around The Way Girl" by L.L. Cool J.

She's silly and sensative.

"It makes me feel good when I think of the excellent teachers I had at weequahic. I now know that if I want to succeed, I can. My favorite class was Ms. Jenkins' U.S. History II. A favorite song that comes to mind is "Give Peace A Chance" by John Lennon. People describe me as beautiful, intelligent & friendly.

Quincy Jones

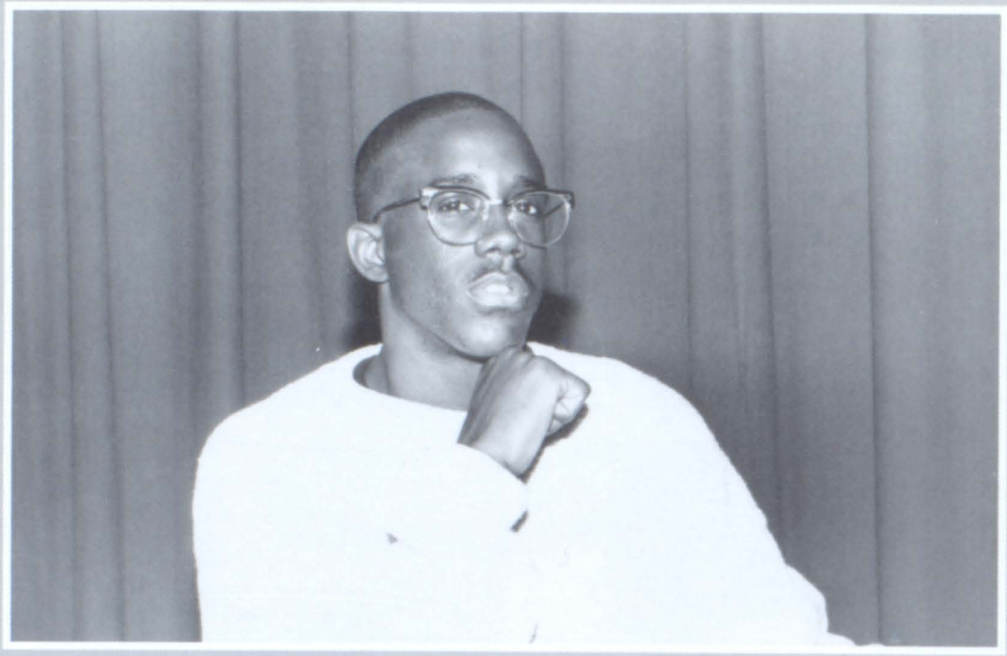

Eddie Greene

This year Eddie was a winner in the State Championship for track. Eddie stated that he loved the dedication of the teachers at Weequahic, especially Mrs. Perry and Mrs. Jenkins. Kesha Walker

In the future , I'll always remember the Homecoming Pageant the Cheerleading squad, and the transfer to a school(Weequahic) where I had more freedom of choices. I admire the way teachers took time to help students who neededit. My favorite teachere- Ms. Floyd/ Mr. Trunk. Favorite subject- Algebra. Congratulations to all.....

Rayvon Williams

"One of the many things that has left an everlasting impression on me, has been the"WINTER BALL.It was GREAT! I also like the "Voices of Weequahic". My favorite teacher was Mrs. Jenkins.My favorite song was"As We Lay-S. Murdock. I guess the best way to describe me, is someone who is sensitive,caring and responsible."
